What food should I pack for my child?

Please pack a healthy, nut free morning snack and lunch as you would for a normal school day. The service will provide a delicious and healthy afternoon snack.

Please ensure a refillable water bottle is packed for your child.

What should my child wear to vacation care?

Your child should wear long pants (trackies or leggings), a shirt that covers their shoulders (no singlets), a hat and a warm jacket. Your child must also wear closed shoes (no thongs or sandals).

If the children are doing art or a messy activity, please wear old clothing or pack an art smock.

What if I have a question about Child Care Subsidy?

We are approved to process your Child Care Subsidy payments from the Federal Government. However, we are not in control of how much subsidy is paid by the Government to each family.

If you have questions about Child Care Subsidy please contact Services Australia on 136 150.

Can my child attend services in a different state?

If you are enrolled with Extend, you can attend an Extend service anywhere in Australia where a service is available.

You do not need to regularly attend the school itself to attend an Extend Holiday Program. All primary school aged children are welcome.

Where do I find excursion bus times?

If you have already booked your vacation care sessions, log in to your LookedAfter account, go to your booking calendar and click on the excursion session. Information regarding the session will pop up and you will find the bus time listed under 'Service'.

If you are booking a session, follow the usual booking process. You will find the information under 'Service'.

How will CCS help you save money during vacation care?

CCS covers up to 90% of the session fee, incursion fee and excursion fee based on the household income.

For example, a family eligible for 64% CCS will only pay 36% of the remaining session fee. This means for a 10 hour session costing \$100, the family will pay the gap fee of \$36 with the remaining \$64 covered by CCS. That's \$3.60 per hour!
